

Mawrah Khan

UI/UX Designer

London | +44 7818957554 | mawrahk@gmail.com | [linkedin.com/in/mawrah-khan](https://www.linkedin.com/in/mawrah-khan) | Portfolio: zaya-xe.github.io/Portfolio

PROFILE

UI/UX Designer with hands-on experience creating website and app designs, from wireframes and prototypes through to high-fidelity interfaces, using Figma and Adobe XD. Comfortable working closely with developers to bring designs to life, refining layouts based on user feedback, and keeping colours, typography and components consistent across a product. Strong grounding in responsive web and mobile design, accessibility (WCAG), heuristics, and core UX principles, with additional front-end knowledge in HTML, CSS and JavaScript that supports clearer handoff with development teams.

KEY SKILLS

- Wireframing & prototyping
- UI design & responsive web/mobile design
- Design systems: colour, type & component consistency
- User research & usability testing
- Information architecture & user stories
- Figma, Adobe XD
- HTML, CSS, JavaScript (basic front-end)
- Microsoft Office & Canva
- WCAG accessibility standards
- Jira, Trello & version control tools

CORE STRENGTHS

Leadership & team management • Creative thinking & attention to detail • Client & stakeholder communication • Presentation skills • Multitasking & time management

PROFESSIONAL EXPERIENCE

- ID/UX Designer** | Zeus Learning

Jun 2023 – Aug 2025 - Mumbai, India

 - Designed website and app-style interfaces for a large-scale learning platform, creating wireframes and prototypes before moving into high-fidelity UI design.
 - Designed and delivered 100+ educational mini-games for children in grades K–5, meeting WCAG 2.2 AA accessibility standards.
 - Worked closely with developers throughout implementation to make sure designs were built as intended, and refined layouts based on usability testing and user feedback.
 - Maintained consistent colours, fonts and component styles across features to keep the platform's design system cohesive.
 - Led a team of 8 designers, coordinating with clients on requirements and presenting design work at review stages.
- UI/UX Design Intern** | Dot Syndicate

Mar 2023 – Apr 2023 - Mumbai, India

 - Designed websites end-to-end, from initial wireframes and prototypes through to final review and delivery, for multiple client briefs.
 - Researched design trends and audience needs to shape personalised, user-friendly layouts for each client.
 - Worked with cross-functional teams, including developers, to keep design and build timelines aligned.
- UI/UX Design Intern** | ISKCON Bangalore

Jul 2021 – Dec 2021 - Mumbai, India

 - Designed interface features for a multinational wellbeing application, focusing on clarity and ease of use.
 - Collaborated with a multidisciplinary team to implement new features and present design ideas that improved usability.

EDUCATION

- Kingston University**
